## 2025 Summer Reading Program Starts Monday, June 2nd!

“Color Our World”, the 2025 Summer Reading Program will start on Monday, June 2nd! We will feature 8 full weeks of programs with a focus on art, photography, writing and storytelling, performance arts and more!

This program is open to patrons 2 years of age and older. You must register and submit your reading logs online using Beanstack as we are taking a more environmentally friendly approach to this year’s record keeping.

To register download the Beanstack App on the Apple Store or Google Play. Search for the Jamerson Library and sign up each participant by following the instructions and answering a few simple questions on the App.

If you have any questions or are having difficulty logging on, come to the front desk with your cellphone/ tablet, and a friendly staff member will be happy to help you.
